#### ATTENTION ALL RESEARCHERS!

**MSU Scholars** and **Faculty Insight** are two websites provided by Academic Analytics that display the faculty at MSU's scholarly work. [MSU Scholars](#) is public and [Faculty Insight](#) is internal to MSU. Faculty Insight can be used to find grants specifically to an area of research with customizable email alerts to notify of new funding, search for scholarly awards, and find possible collaborators within MSU or nationwide. The search feature allows the user to create a link that will compile all award and articles that have been published by MSU faculty. To learn more, there is a zoom meeting on **Tuesday, October 17<sup>th</sup> from 12:00 pm – 1:00 pm.** If you have any questions, please contact Kyle Sweitzer ([kvs@msu.edu](mailto:kvs@msu.edu)) in the office of Institutional Research.
